## INTERESTED IN INVESTMENT/BUY TO LET PROPERTY?

Whether you're a first-time property investor or an experienced landlord looking to buy quality properties to add to your buy-to-let property portfolio, we can help.

If you are looking to buy a single property or any number of properties, we can help you find quality investment property in great locations, with potential of guaranteed rental income from the moment you take possession!

Unlike some 'property clubs' we do not charge a finders fee. We prefer to offer our clients genuinely discounted properties. However we can only do this effectively if we are able to negotiate 'bulk purchases'. For this reason we need a steady supply of ready, willing and able investor purchasers – just like you!

If you would like to find out more about our schemes for investors, please tell us a bit more about your requirements by completing & returning the following:
